## Social Media Manager (Project-Based | REMOTE)

### Description

SEE is looking for a creative Social Media Manager to produce high-quality content for client projects. This is a **project-based role**, where work is assigned based on specific project needs, scope, and requirements. The role is not full-time or part-time and varies depending on each project.

### Responsibilities

- Create social media content (posts, reels, short videos)
- Adapt content to different brand styles and goals
- Deliver content on time per project scope
- Collaborate with SEE's creative team when needed

### Qualifications

- Proven experience managing social media content
- Strong visual sense and copywriting skills
- Ability to work independently and meet deadlines
- Portfolio or examples of previous work

### Hiring organization

SEE® - Seferi Engineering Enterprises

### Employment Type

Contractor

### Job Location

Tirana, Albania  
Remote work possible
